Cancellations & Refunds

Cancellations due to weather are at the discretion of the St. Joseph County Park staff. Our programs are offered outdoors year-round, and we will generally only cancel if weather is severe. If the weather is severe, we will phone you two hours prior to your hayride to attempt to reschedule. If it is not possible to reschedule the hayride, a complete refund will be issued. If your group cancels following payment and up to two weeks prior to the hayride date, 20% of the total fee will be withheld. For cancellations made within two weeks of the hayride date, no refunds will be issued.
