

## Saint Joseph County LIT Trust Balance History Report 2000 - 2020

The Saint Joseph County Trust Balance History Report accounts for local income tax monies collected in the county that have not been disbursed to local governments. All local governments share in the fund in proportion to their local income tax distribution amounts. The Saint Joseph County percentage is approximately 24% of the total trust fund balance.

Date	Amount
December 31, 2000	\$21,172,053
