

St. Joseph County Parks School Scholarship Program for Interpretive Programming

Schools interested in participating in one of St. Joseph County Parks Interpretive Programs, but unable to pay the full fee, may apply for a school scholarship. A list of Interpretive school programs available by calling any of the county parks, or by going on line at: www.sjcparks.org and linking to the teacher section of the site.

The scholarship funds have been provided by area individuals interested in the promotion of environmental education in schools. Classes may apply for up to 50% of the Interpretive Program fee through the scholarship fund. A class may not receive more than one scholarship in a school calendar year.

To apply:

Complete the attached School Scholarship Application. Please be sure to indicate the financial need for the scholarship.

It is important that you have confirmed a date for your Interpretive Program in advance, since dates are limited. This can be done by contacting the park where your program will be held:

Bendix Woods County Park or Spicer Lake Nature Preserve: 574-654-3155

St. Patrick's County Park: 574-277-4828

Ferrettie-Baugo Creek County Park: 574-674-9765
